

International Conference
Hydropower: A Vital Source of Sustainable Energy for Pakistan
December 19-20, 2017.

INSTRUCTIONS TO AUTHORS

Preparation of Text

1. A soft copy of the manuscript must be submitted, in Microsoft Word format.
2. The title of the paper, names of authors and their affiliations should be stated on the cover page.
3. The submission should include, in the beginning of the paper, an abstract of about 200 words, and the relevant key words.
4. The text of the paper may be divided into Introduction, Material and Methods, Results and Discussions, Acknowledgement (if any) and References.

Tables

Tables should be laid out with a serial number, table heading and brief column heading. Tables should be referred to in the text.

Illustration

Illustrations should be submitted in original (not photocopies) or laser print. They may be in black ink on white paper or Colored. Illustrations should also be numbered and referred to in the text. Maximum size should be 6 x 8 inches, with lettering minimum size 10 points.

Photographs

Photographs should be submitted in original; photocopies will not be accepted.

References

1. References should be placed at the end of the text and written on a separate sheet.
2. They should start with the author's name followed by the publication year, the correct title and the publication.
3. **References should be listed in the order in which they appear in the text.**

Example

- Apparo, A. and Malik, K., 1969. "Resistivity model experiments". Geopolration 7:45-54.
- Von Nostrand, R.G. and Cook, K.L., 1966. "Interpretation of resistivity data." Geol. Surv. Prof. pap. 499 US Govt. Printing Office, Washington D.C.
